B.—CONFERENCE RULES OF ORDER.

Adopted in 1869, modified in 1875, and adopted at each session since.

1. The Conference shall meet at 8:30 o'clock a. m., and adjourn at 12 m., but may alter the time of meeting and adjourn at its discretion.
2. The President shall take the chair precisely at the time to which the Conference stood adjourned. The first half hour of the session shall be devoted to religious services, and thereafter the journals of the preceding day shall be read and approved.
3. The President shall decide all questions of order, subject to an appeal to the Conference; but, in case of an appeal, the question shall be taken without debate.
4. He shall appoint all Committees, not otherwise specially ordered by the Conference, but any member may decline serving on more than one Committee at the same time.
5. All motions and resolutions introduced by any member shall be reduced to writing, if the President, Secretary, or any member of the Conference requests it.
6. When a motion, resolution, or report presented is read by the Secretary, or stated by the President, it shall be deemed in possession of the Conference, but any motion or resolution may be withdrawn by the mover at any time before action or amendment.
7. No new motion or resolution shall be made before the one under consideration has been disposed of, which may be done by adoption or rejection, unless one of the following should intervene, which motions shall have precedence in the order in which they are placed, viz.: Indefinite postponement, lying on the table, reference to a Committee, postponement to any given time, or amendment.
8. No member shall be interrupted when speaking, except by the President, to call him to order when he departs from the question, uses personalities or disrespectful language; but any member may call the attention of the President to the subject when he deems the speaker out of order, or any other member may explain when he thinks himself misrepresented.
9. When any member is about to speak in debate, or deliver any matter to the Conference, he shall rise from his seat and respectfully address himself to the President.
10. No person shall speak more than twice on the same subject or more than fifteen minutes at one time, without leave of the Conference;

nor shall any person speak more than once until every member choosing to speak shall have spoken.

11. When any motion or resolution shall have passed, it shall be in order for any member who voted with the prevailing side to move a re-consideration.

12. No member shall absent himself from the services of Conference without leave, unless he is sick or unable to attend.

13. No member shall be allowed to vote on any question who is not within the bar of the Conference at the time such question is put by the President, except by leave of Conference, when such member has been necessarily absent.

14. Every member who shall be within the bar at the time the question is put shall give his vote, unless the Conference, for special reasons, excuses him.

15. No motion shall be considered unless seconded.

16. The Secretary shall keep a journal of the proceedings of the Conference, and, when approved, shall record them in a book provided for that purpose. He shall take charge of the journal and other papers of the Conference, and preserve them with care; suffer no person to take a copy of any paper during the interval of Conference, except with the consent of the Conference; and shall forward the journal and papers to the next Annual Conference.

17. A motion to adjourn shall be in order at any time, and shall be decided without debate.

18. No preacher shall bring any charge against any member of this Conference until he has first given him information of the same, either by letter or otherwise, ten days in advance, if practicable, so the accused may have an opportunity for defense.

19. When any brother intends to object to the passage of another's character, it shall be his duty to hand the name of the person against whom objections are to be made to the President of the Conference.

20. Two-thirds of the members present, and voting, may order the previous question on a pending motion.

[A motion to table an amendment to a resolution does not carry the resolution to the table.]

Report of Special Committee. On motion of Dunning Idle, the report of the Special Committee on the adjustment of payment of claims to certain retired preachers was adopted as follows:

Your Committee appointed to consider the interests of certain of our Conference claimants, as presented by the Secretary of the Board of Stewards, whereby it appears that unintentional injustice has been wrought by the operation of the advanced payment plan, has given the matter such consideration as the limited time and attending circumstances permitted, and presents the following as in their judgment the best solution of the problem involved.

First. It appears that up to the time that the General Conference recognized the Claimants as one of the co-ordinated parties in the matter of ministerial support in 1908, it was not the rule to pay the Claimants anything from the funds until the Conference Session following retirement, unless the Conference recommended special consideration by the Board of Stewards. Since that time, with five exceptions, all who have been retired have participated in the distribution of the funds immediately upon the retirement.

Second. When the Quarterly Plan of distribution went into effect one year ago, the Conference evidently failed to remember that all claims were

not being paid in advance, as it now appears that twenty-four retired men and forty-two widows had a just claim that should have been paid in September, 1919.

Third. We therefore, recommend that the Board of Stewards be directed to pay these twenty-four men and forty-two widows their full claim for the year just closed, according to the plan of former years, and to continue such plan of payment as long as they continue to be claimants on our funds, and that the quarterly advanced payments, put into operation one year ago, be continued to all other claimants. And we further recommend that the Board of Stewards be requested to adjust all and any claims upon the death of any claimant.

Conference Two Per Cent Plan Sustained. The motion of W. M. Ward transferring the two per cent fund for immediate distribution did not prevail.

Board of Conference Claimants. Earl R. Rice was introduced and represented the Board of Conference Claimants of Chicago, and on behalf of the Board presented the Conference Board of Stewards a cheque for \$250.00 which represented an increase over last year's apportionment.

Corporate Conference. The Corporate Conference held its annual meeting, J. E. Jacklin presiding. (See Report.)

That we require all special or exceptional cases when recognized by the Ministerial Equipment Committee to take a course which shall include the study of Commercial Arithmetic, Elementary Bookkeeping, General History, English and American Literature, General Science and Elementary Agriculture.

Summer School of Theology. On motion of S. Arthur Cook, the following resolution in the interest of the Summer School of Undergraduates was adopted:

Encouraged by the greatly increased attendance and enlarged usefulness and popularity of the Undergraduate School of Theology for the Michigan and Detroit Conferences, and deeply appreciative of the financial and other assistance rendered by our Bishop and the Conferences, and of the endorsement of such Schools as ours by the General Conference, and with strong conviction of the yet larger place of influence and power possible in the further development of our School, we present to our respective Annual Conferences the following joint recommendations of the faculty, the Student Body, the Summer School Senate and the Board of Examiners.

1st. That it be the action of these Conferences, in view of the value of the Summer School of Theology to the students, and the moral obligation of attendance created through financial support by our Conferences, that every student be required to be present, as provided in recent General Conference legislation, except when definitely excused by the joint concurrence of the Dean of the School and the Chairman of the Board of Examiners of the Conference to which the student belongs.

2nd. That the Conferences respectfully request and urge each District Superintendent to give every attention possible to the students in the Course of Study on their respective Districts, ascertaining frequently whether such students are giving a reasonable amount of time to their studies, and positively and definitely endeavoring to secure a 100% attendance at the Summer School from their respective Districts. To make possible this closer cooperation between the Superintendents, Boards of Examiners, and Summer School, we recommend that Registrars of the Conference Boards furnish each Superintendent early in the Conference year with a list of all men on their Districts who are in the Course of Study and the specific work each student of such District is taking. We also recommend as a measure looking toward larger accessions to our Conferences that the Superintendents furnish the Registrar of their respective Boards of Examiners with a list of men on their Districts who ought to be candidates for admission to Conference, so that these men can be encouraged by the Board in the early and intelligent pursuit of their studies and can also be gotten to the Summer School.

3rd. We recommend that the personnel of the Boards of Examiners be selected with a view to adaptation for and specialization in specific departments of study and with a further objective of having only such men on these Boards as will be best adapted to serve on the Summer School Faculty as a distinctive part of their work and will be willing to render such service if needed for the full period of the summer school session for at least two years of the quadrennium. We ask also for the selection of such men only as are in sympathy with and will give careful and painstaking attention to the correspondence features involved in the plan of the General Conference Commission for the conduct of the Course of Study.

4th. We recommend the immediate enrollment through a special standing committee elected by the Conference of as large a number of men as can be secured to take up the new Graduate Course of Study. In furtherance of such Graduate Study we also recommend a Graduate School to be held at Albion beginning the opening day of the Undergraduate Summer School and to be arranged for by the Summer School Senate in conjunction with the aforesaid standing committee; said Graduate School to provide class work in such units of work as now exist or may be provided by the General Conference Commission on Courses of Study and at least one special lecturer from outside the bounds of our Conferences.

5th. We recommend that each Conference raise the sum of \$400.00 for the undergraduate school for the ensuing year and a sum of \$100.00 for the Graduate School, neither Conference to be bound by a larger sum than is pledged by the other.

6th. That the Summer School Senate be authorized to modify these recommendations at their discretion where changes may be found necessary to bring them in to conformity with the developing plans of the General Conference Commission on Courses of Study.

Signed,

For the Summer School Faculty,

J. C. Willits, Dean.

C. THE RECORD OF OTHER CONFERENCE MEETINGS.

A Rural Church symposium featured Wednesday afternoon under the inspiring leadership of Dr. W. W. Diehl. R. M. Millard of Michigan Conference, W. J. Atkinson and Ira W. Cargo were the speakers.

M. S. Rice was Conference Lecturer Wednesday evening, presenting the theme "The Devil take the Hindmost" to a crowded house.

The Anniversaries of the Woman's Foreign Missionary Society and the Woman's Home Missionary Society occupied Thursday afternoon. Miss Estella Forsythe, thirteen years a missionary in India, addressed the former. Mrs. E. W. Matthews of Columbus, Ohio, National Secretary of Systematic Beneficence, the latter.

On Thursday evening the Board of Home Missions and Church Extension presented a splendid challenge through the Motion Picture "The Expanding Years;" The Epworth League was represented by Dr. W. E. J. Gratz, new secretary of the department of Institute and Life Service. Bishop Henderson made the appointments of the Deaconesses for the Conference year.

Friday afternoon, Dr. George B. Dean, Secretary of Evangelism for the Board of Home Missions spoke on "The United Program of the Church."

Rev. Ernest B. Caldwell, D. D., representative from the Board of Foreign Missions gave many instances coming under his observation on a tour

of missionary inspection in Africa which were as miracles of old of the healing power of the Gospel among the suffering peoples of the world.

The Older Boys Conference co-incident with the Annual Conference was made the occasion for the Father and Son's Banquet which was more than a delightful and happy event Friday evening with over three hundred present. The fine spirit of the gathering was rich ground for the appeal made by each address and every one present was ready to face the challenge of Bishop Henderson's message "The Conclusion of the Whole Matter."

Young People's night Friday brought together a capacity crowd of both young and old. The address of Rev. Ames Maywood on "Bucking the Line" made young life feel not only the intensity of life but that success calls each to meet the hard as well as easy tasks.

Saturday afternoon three addresses engaged the attention of those present, "Our Veterans of the Cross" by Earl R. Rice. "Our Hospital" with special reference to Bronson Methodist Hospital at Kalamazoo by W. M. Puffer of Michigan Conference and a special address by Julian S. West. In the evening the anniversary of the Board of Education was observed with George Elliott, Editor of the Methodist Review as speaker.

Sunday, the Conference Love Feast with Eugene Yager as leader was held in First Church, west side. Bishop Henderson preached the Conference sermon in Madison Avenue church, the great audience taxing the capacity of the building. Representatives of the Conference occupied the pulpits of the city morning and evening. The afternoon was marked with the solemn service of ordination of deacons and elders followed by the Consecration service led by the Bishop. A great number of young people responded to the appeal. The Charles Wesley Club enriched the afternoon service with choice selections in song.

In the evening Lynn Harold Hough delivered his great Ter-Centenary sermon based on St. Paul's words, "All things are yours." 1 Cor. 3:21, a fit and thrilling climax to a great day.

THE SUNDAY SCHOOL INSTITUTE.

One of the most helpful features of the Conference Session was the Sunday School Institute conducted by Dr. Harry C. Wilson and the Rev. Arlo Ayres Brown of the Board of Sunday Schools. These men set forth the following as their main propositions; first, that while the Sunday School movement was never so popular as it is today the Church and the Communities at large are not half awake to the desperate necessity for the careful teaching of our Christian religion to the young; secondly, that there can be no successful teaching of religion without trained teachers, parents and school officers; thirdly, that adequate plans and materials are available for the training of both leaders and pupils if the Church will avail itself of the best that the Board of Sunday School offers.

Topics which received special consideration were Evangelism in the

Sunday School, A training Program for Young and Old, Graded Lessons, Sunday School Architecture, How to Increase and Hold the Membership and the Departmental Organization of a School. Brief addresses were given followed by a conference on the problems under discussion. The pastors especially were urged to preach upon the importance of the child to the church and how the parents and teachers may guide his religious development. The laymen were urged to put a heroic sacrificial spirit into their service. The Board of Sunday Schools can guarantee plans and teaching materials but only the local church can create the interest and passion for service which are necessary to produce a Christian generation.

PART VI.—REPORTS.

DISTRICT SUPERINTENDENTS' REPORT, 1919-1920.

To the Bishop and Members of the Detroit Conference.

Dear Brothers:

The lot has fallen upon me this year, to present to you the report of the superintendents. I wish to say that the basis upon which the designation is made is not upon the ground of efficiency or good looks, but solely upon the ground of age. I hope that what I shall say will fully express the mind of my coadjutors.

First, we wish to express our thanks to Almighty God for His unfailing goodness to all of us during the past year. We thank Him for peace and prosperity and for the abundant crops which He has given to our people. We wish also to express our gratitude to all the Pastors who have cooperated with us in the strenuous work which together we have undertaken, for the kindness they have shown us in their homes and for the splendid loyalty and support which have been given us by our laymen. We thank God for the Methodist Episcopal Church, and for all the Churches which are doing His Will and expressing His Glory in all this land.

We began this year with high hopes and comprehensive plans for a great year. But we were handicapped at the very beginning by the return of the influenza which closed some of our churches for three months, and carried off some of our most valuable members. We were also hindered in our work by deep snow and intense cold weather. Notwithstanding this however, we now come to the close of the most successful year in every department that we have ever known.

Another condition which might be mentioned which greatly multiplies our problems is the constantly moving population over the State. Tens of thousands of our people are leaving the open country and small towns and villages and going to the more thickly settled centers. Almost every rural section shows a decrease in population during the past ten years, while some of our small towns and villages have been almost depopulated. In some instances almost the entire official Board has moved out and left the Church practically stranded.

This unusual movement toward the industrial centers has created two very serious problems. First, it leaves the church in the small community almost destitute of people and therefore of financial support, and second, it creates a tremendously pressing problem in the places to which they have gone, in that it is impossible to provide church equipment fast enough to house them or leadership to direct them. As an example of this condition many of the churches on the Detroit West District must be remodeled and enlarged at once. The Detroit East District needs three more churches immediately. Pontiac, Flint, Saginaw and Port Huron are desperately in need of new churches and enlarged church equipment.

The tremendous increase in cost of material and labor has hindered us somewhat in our building operations, but we have made substantial progress. Five church building enterprises are proceeding above the Straits. New churches are being built at Faithorn and Ingalls; Community Houses at Sidnaw and Sault Ste. Marie. New parsonages were secured at Onaway, Hale, West Branch and Alpena. A new church worth \$20,000 has been dedicated at Freeland and another costing \$22,000 at Bentley. A beautiful church worth \$10,000 is ready for dedication at Rose City. Civic Park, Flint has built a fine plant at a cost of \$20,000 and Oak Park, a parsonage worth \$12,000. Five new parsonages have been built on the Detroit East District.

St. Marks and Meade churches have been completed. A new church is in process of building at Redford. The Ninde Church has relocated on Grand River Ave. and \$110,000 has been expended on the first unit of the new building. An increase in membership from 112 to over 500 justifies this removal. The Ninde people have also organized a new church at Strathmoor with 100 new members. Atkinson Ave. has completed a \$30,000 temporary building and has organized with over 100 charter members. Wesley has spent \$20,000 on a new organ. Tireman Avenue has erected a temporary church at a cost of \$15,000 and has organized with a membership of over 200.

OUR RURAL WORK.

It is to the credit and glory of Methodism that she has not neglected the poor and remote places. Inasmuch as the strength of Methodism is in the open country and the majority of the leaders have always come from the farm, in the program of the church the country must never be overlooked. Our rural problem is largely two fold. First, the movement of our young people to the industrial centers and the consequent loss of the optimistic and daring leadership of youth. Second, the retirement of many farmers, and consequent absentee landlordism and the problem of the tenant farmer. Absentee landlordism is opposed to all public improvements such as good roads, churches and schools, because all of these mean increased taxes and outlay, while the tenant farmer is a Migratory Species and cares only for the present hour. To these difficulties must be added another significant fact, namely--Colonizing Systems are at work in some of the most productive sections of the State. The pioneer protestant farmers who love both the church and the State are being bought out and displaced by foreign speaking people whose ideals, customs and religions are as foreign as their speech.

But notwithstanding these difficulties we are making progress. A new vision has lately come to the rural community and to the minister both of the need and possibilities in the rural sections. This new condition has been brought about chiefly through our Bishop who has not only aroused new interest in the importance of this work, but has also actually tramped the country with us. There is scarcely a preaching appointment, no matter how remote or how poor that he has not seen and made an object of his special care.

Dr. W. W. Diehl has been no small factor in this important branch of our service. He almost sacrificed his life for this cause, and the Michigan Agricultural College, which has made possible the Rural Life Conference every year. Some of our most efficient men have dedicated their lives to the rural fields with the same fine spirit as others have shown in dedicating their lives to teaching or to the foreign field. Some of the outstanding churches which have been built during the past year to meet the needs of the rural community are Meade, Freeland, Bentley and Rose City.

THE INDUSTRIAL CHALLENGE.

During the past years Michigan has become one of the most important industrial States of the country. Some of our cities have grown at a tremendous pace. In ten years Detroit, Flint and Pontiac have doubled their populations. Tens of thousands of our people have changed their mode of living from that obtaining in the open country or the small town, to the new conditions in a modern, bustling city. The effects have been many and varied. The country must be saved, but the city must also be saved. Our responsibility is one. If we are to save America and the world, the cities must be saved. One section of our church is not in competition with another section, nor one interest in competition with another interest. The city churches must take care of the thousands, both young and old, when we send them from the country and we must help them. If the City perish, we all perish.

PART II.

THE CENTENARY, THE TITHERS AND THE LIFE SERVICE MEMBERS.

Our Conference Centenary pledge in its magnitude astonished even the most optimistic. We are now facing the real test of our sincerity and loyalty to the Church and the Kingdom. Some of the districts report that the funds are coming in splendidly, while others are finding a lack of interest in the payment of pledges. This latter condition is due to a number of causes. One Superintendent says: "There will be a large slump in Centenary returns. Smaller churches are disturbed by reports of the spending of Centenary Funds. Every one feels that they are entitled to a part of it to supplement their own small resources. The missionary character of this gift of the Churches must be made clear. We are losing out. I believe, in its high character as a benevolence. It has become too much in the nature of an assessment with a remote and hazy objective." The Centenary Spirit and Motives must be sustained at any cost. We must solicit religiously every possible contributor. The Centenary period has now passed. Let us hereafter allow the term Centenary to pass out of our vocabulary and the term Benevolence take its place, for the high standard of giving must never be allowed to sag nor the period of five years be the limit, but in the face of the World's tremendous and pressing needs we must allow our pledges to grow with an increasing ability, and continue while life lasts.

It is our conviction that the System of tithing will solve the financial problem in our work as well as a number of others. We have thousands of signed tithers in our Conference. It is our belief that the practice of a number of tithers is uncertain. A thorough systematic course of instruction and a more apparent recognition of the Divine ownership is necessary before the stewardship plan will be actually observed. There is yet too much opposition to the principle of tithing among so-called Christian people. We should seek continually to secure every member of our churches to unite in this holy fellowship. Thousands of our young men and women during recent years have signed the Life Service Card, but our church has not yet discovered a method by which they can be trained and brought into actual service. Sincere in their decision, they are saying as they stand waiting "no man hath hired us."

We congratulate the trustees of the Michigan Christian Advocate upon what they have done under trying circumstances. We sincerely sympathize with our Brother F. F. Fitchett in his illness and hope and pray for his speedy recovery. Michigan Methodism needs the Advocate. There is ample field here for a truly great paper. Let us strengthen the hands of the Editors and Board of Managers by a pledge of loyalty and assurance of cooperation aiming to place a copy weekly in every Methodist home in the State.

Many of our people do not seem to know that we have a College at Albion. Bishop Henderson has recently outlined a new and aggressive program which will be put into operation. Money and material to lift the College to highest rank is needed. We hope the day is not distant when this need shall find a response from Michigan Methodism of which we shall all be proud.

In carrying out our program of Evangelism the slogan for the year has been "one in four." One new member for every four of our membership. We may not be able to show that increase, but our Conference has surely been moved with evangelistic fervor and has witnessed results such as never before. In every District the campaign was a success. While the latest figures are not in hand we are confident that nearly every district will reach its quota. Says one District Superintendent; "During the evangelistic campaign more folks were won to Christ than in any three years of our history heretofore. Quarterly Conferences have been the best ever, ministers have been reborn in their ministry, many churches have had a rebirth of faith that God can do this thing through the regular ministry and the regular agencies of the Church."

In the matter of Pastoral support, our people are realizing the effect of the

advance in living expenses and are increasing the salaries of their ministers. One District reports an increase of over \$20,000, another of \$15,000, another of \$7,000.

The conditions of the times demand that the minister be equipped as thoroughly as possible. The world has not yet outlived the need of the Gospel message. It is still the Power of God unto Salvation.

The great crowd getter and the crowd holder is not the movie on Sunday night, but the strong, fervent gospel appeal from the heart of a man who can interpret the hunger of the human soul and is able to bring Christ near. The Preacher who has a living message is still popular. Only Christ can save the World and people are much interested in Him who is our only salvation and hope of Heaven.

The great need today is for men who will be pastors. One Superintendent says, "More men fail on my District because they will not be pastors than from any other cause." This is what some of the people say concerning the Pastor. "He is not interested in us." "Why should we be interested in him?" Another says, "I am the treasurer of the Church, but our Pastor has not been in our home for a year." Another "If only he would call on the old people and sick." In many instances the Superintendents do not ask the questions concerning Pastoral labor, because of its embarrassing consequences. Some men make only 75 or 100 pastoral calls per year, literally thousands of our people are like sheep having no shepherd. In no Church are the ministers so closely related and dependent upon one another as in our denomination, therefore, we can make or break our successor. Let us leave a complete calling list when we remove from the Charge, let us pull up all the stakes and let our successor marry the people, bury them and baptize them. Let us be as courteous to one another as are the doctors and lawyers to their fraternity and brothers. If you have demanded a change of pastorate before you move tell the people that you desire to move and that an autocratic and cruel District Superintendent or Bishop did not pull you up against your will.

We cannot now say too many good things about our Bishop. Not only is he our chief, but best of all he is our brother. With gratitude for all the past, we look confidently toward the future.

RESOLUTIONS.

We believe that the sixty-fifth session of the Detroit Annual Conference, judged from the standpoints of Christian spirit, efficiency, and general progress, has been fully up to Methodist standards.

We find the work of the church has been pushed with energy and wisdom. Centenary ingatherings, both of money and members have exceeded all previous records. We have felt the rich profit of the extra day of spiritual retreat, and recommend a similar day in future sessions. The Older Boys' Conference has brought a new sense of the value and accessibility of the young life of the church. It should become a permanent part of Conference Plans. All connectional Boards have been well represented and special messages of lecturers and others have been profitable.

We rejoice in our present Episcopal head—Bishop Henderson presides with continued vigor, and his resourcefulness has never been more in evidence. His honored colleague, Bishop McDowell, has brought new confidence in our cause.

We commend the kindness of the local printing houses, banking houses, eating houses and dwelling houses. Uniform courtesy has marked all their dealings with us. Rev. James Chapman and all the people of Madison Ave. Church have been untiring in their care. The friendliness of other Bay City Churches and pastors has been marked and constant.

We are grateful to God for his unfailing blessings. We mutually pledge ourselves and our constituencies, wherever, who ever and whatever they may be, to hearty, untiring support of the Area Program, World Wide Methodism, and to every allied cause having as its objective the extension of the Kingdom of God.

EARL R. RICE.

SUPERANNUATED PREACHERS' AID SOCIETY VALEDICTORY.

September 23rd, 1920.

Fathers and Brethren:

A year ago Brother Charles W. Baldwin presented his report as the Secretary-Treasurer of this Society and outlined the plans for the transfer of its securities and trusts to the Endowment Fund Commission. Before the great task was finished he received the call to lay down his work and enter into that Sabbath rest that remaineth for the people of God.

To the \$105,451.10 that he reported last year \$504.92 was added reaching a grand total of \$105,956.02 as the final Endowment Fund of the S. P. A. S. He made the last entry affecting this Fund February 6th, 1920 and at that time he had trans-

ferred a total of \$99,508.00 to the Commission. Since then \$2,250 more has been transferred and we now hold \$3,937 in securities and \$477.58 cash in Bank.

We are about to complete the transfer and make the final settlement of the affairs of this society. We shall ask you to authorize us to transfer a trust fund of \$450.00 to the Corporate Conference and we shall then have a small balance of about \$100.00 which will be turned over to the Board of Stewards in accordance with the plan outlined a year ago.

Since Brother Baldwin's death the only expense incurred by the S. P. A. S. was the sum of \$14.79 paid to the trustees for traveling expenses to attend the two special meetings which have been held.

As soon as a few minor items of business shall be completed we will surrender our charter and cease to be anything but a memory to the Claimants of the Detroit Conference.

The high purpose and sacred obligations entrusted to us have passed to the Endowment Fund Commission and we sincerely hope that better results than were ever attained in the past will cheer and brighten the lives of the Claimants of the Detroit Conference for whose sake the S. P. A. S. came into existence and lived its life of sixty years.

JOHN E. MEALLEY,
Secretary-Treasurer.

REPORT OF THE OLD PEOPLE'S HOME FOR THE YEAR 1919-1920.

The work of the Home for the past year has been gratifying, notwithstanding rather trying difficulties arising out of the prevailing scarcity of labor and the high cost of food, fuel and services. The running expenses have exceeded those of the preceding year by \$1,400. The conditions that have increased the cost of support, have, at the same time, increased the number of old people who need the sheltering care of the Home. In no other year have so many knocked at our doors and asked for adoption into our family. We have not been able to open the doors to more than about one-third of the worthy and eligible applicants. Eleven persons have been received and settled, for the rest of their days, in the care and protection of the Home. Seven members have gone to their heavenly home. Save for brief and proper intervals between the death of one member and the incoming of another, the rooms of the Home have all been occupied through the year. The fact of there being a vital need of a Conference Home, like ours, stands out in bold relief; it was planted none too soon; nor is it too large; it provides for fifty-five and it would be a blessing, if the capacity were seventy-five. A wing at the north end of the main building corresponding to that at the south end is much to be desired.

It is cause for gratification that the Home seems to be growing in the confidence and affections of our churches; this is largely due to the fine support extended to our Home by our pastors. Under the inspiration of their testimony, our Church members are repeatedly doing some of the most beautiful of Christian deeds.

Today there are fifty-three members in our family, nine men and forty-four women and the two applicants, accepted for the two unoccupied rooms and whose coming is expected almost any day, are both men.

The last member to join our family is a member of this Conference, making three of our preachers now in the Home circle and all of them have brought grace and benediction to us. Of the ninety-six people who have come into the Home, ten were married couples, husbands and wives coming together; sixteen of the ninety-six were men; fifteen of the ninety-six were never married and that suggests that unmarried people are more likely to be homeless in old age, than are others; forty-three of the ninety-six have died, after spending an average time of nearly five years

in the Home. This average sojourn is yearly rising to a higher rate, as the Home itself grows older.

It has cost \$327 per member to maintain the Home the past year; this is twice the cost of ten years ago. The total expenses for the year have been \$18,903, but this includes \$1,200 paid out in annuities. Our arrearage the first inst. was \$2,740; the expenses for this month will be about \$1,500 and that will make \$4,240 as the amount of receipts needed in September to allow the Home to begin the work of the new year, October 1st, with balanced accounts. It is a welcome announcement that more money has come into our Endowment Fund this past year, than in any other year, viz \$11,520 bringing that fund up to the handsome total \$73,311. We also have unexpended reserves in the shape of admission fees amounting to \$47,047. We nominate as trustees for three years, Hon. J. E. Beal, Dr. C. P. Wood, F. M. Beall, E. M. Moore, H. A. Leeson and H. A. Field; as trustee for two years, Reuben Crosby.

H. T. DENNIS, President.

REPORT OF THE COMMITTEE ON PARSONAGES.

The sweetest words in any language are Mother, Home and Heaven. To the preacher and his family it is as vital to success and happiness as to any other class to have a home that is convenient and comfortable.

According to the Conference Minutes of 1919 there were forty-nine charges without Parsonage homes. Our Committee would make the following recommendations for your approval:

1. That Charges without parsonages be urged to build as soon as possible.
2. That in building new parsonages and in remodeling old ones that the plans be submitted to the District Church Locating Committee.
3. That as fast as possible all Parsonages be furnished with heavy furniture and furnishings.

Signed by the Committee,

G. F. TRIPP,
L. H. STEVENS,
R. C. G. WILLIAMS,
J. H. OATEY,
W. E. MARVIN,
J. H. JAMES.

THE CONFERENCE DEACONESS BOARD.

This is the final report of the Conference Deaconess Board as at present organized, the last General Conference having authorized a new Board composed of District Superintendents, Pastors and Deaconesses.

The following named deaconesses have been approved for another year and their licenses renewed: Miss Kate A. Blackburn, Preston Church, Detroit; Miss Alice B. Shirey, Central; Miss Rosa M. Bradley, Children's Home; Miss Elizabeth Jennings, Cass Avenue; Miss Sophia P. Fetzer, Wesley; Miss Lillian B. Ellis, Mary Palmer; Miss Gladys L. Scribner, Grand River Ave.; Miss Cora E. Wharton, St. Luke's; Miss Maud E. Greenough, Court St., Flint; Miss Ione Frink, 1st Church, Owosso; Miss Bessie Smith, Centenary, Detroit; Miss Deborah Kerfoot (retired), Deaconess Home.

The following have left the home during the year: Miss Martha J. Collins, leave of absence, Miss Mildred Cline, returned to the Michigan Conference; Mrs. Wiebe, teaching in the Public Schools.

Misses Beatrice Pryor, Glenna Doud, and Jennie Eddington are on the list of probationers and are assigned to churches in Detroit.

Miss Lucy J. Palmer is retained as Superintendent and Housemother at the Home.

The property on Selden Avenue is valued at \$30,000, there is an Endowment Fund of \$6,099, which together with furnishings valued at \$1,500 constitutes a splendid holding for Methodism in the very heart of Detroit.

The Methodist Children's Home in Highland Park is a valuable property and thanks to the White Christmas gifts of the Churches of the Conference and other generous donations is in a flourishing condition.

Made by order of the Board.

Ames Maywood,
President.

REPORT OF THE MICHIGAN CHRISTIAN ADVOCATE PUBLISHING COMPANY FOR NINE MONTHS ENDING SEPTEMBER 1, 1920.

To the Michigan and Detroit Annual Conferences:

Dear Brethren:

The Michigan and Detroit Annual Conferences, at their sessions of 1919, accepted the proposal of the Michigan Christian Advocate corporation to take over and carry on the paper, the Michigan Christian Advocate. Each Conference elected four Trustees to constitute a holding body or Board of Trustees, which was duly incorporated under the laws of Michigan, as the Michigan Christian Advocate Publishing Company. The Articles of Association were filed with the Secretary of State at Lansing on October 16, 1919. The Board of Trustees met at the Advocate office on November 12, 1919 and organized by electing officers. The trustees were, Martin L. Fox, William H. Phelps, W. F. Kendrick and Hugh Kennedy from the Michigan Conference; W. R. Fruit, H. A. Field, H. Lester Smith and Charles B. Allen from the Detroit Conference. The officers chosen were: President, Hugh Kennedy; Vice President, W. R. Fruit; Secretary, Elmer Honser; Treasurer, Frank F. Fitchett.

The editorial and office staff of the Advocate were continued as formerly, under the new regime.

On November 30, 1919, the Michigan Christian Advocate, with all its property, subscription list and good will, was turned over by the old corporation to the new, which has since carried on the paper.

Following is a summary of the financial operations for the first nine months, to September 1, 1920:

Receipts	
From the old corporation	\$2,776 13
From Subscriptions	30,024 34
From Advertising	3,292 55

Postage	1,080 00
Taxes	240 51

Paid notes with interest	4,060 00
In bank September 1st	5,566 83
Cash in drawer September 1st.....	47 43 \$41,302 87

The Advocate had on hand September 1st in liquid assets \$6,723.83, besides the plant, and paper stock on hand worth at cost price, \$3,205.08, or at present prices, \$6,837.50. We have paper on hand to carry us through the calendar year, and the expenses of the year can be fully met from the funds in hand and further receipts from subscriptions and advertising. Thus the Advocate is a solvent, going concern.

The subscription list, on September 1st, 1920, stood at 18,342 which is about 2,000 more than a year ago. Of the present subscribers, 9,844 are in the Detroit Conference, 7,620 in the Michigan Conference, and 878 outside the state.

The Advocate has been carried on through the year under considerable handicap owing to the fact that the Editor, Dr. Frank F. Fitchett, was stricken with paralysis in April, and has since been unable to perform his duties. The Associate Editor with valuable assistance from Dr. George Elliott and several other brethren, in editorial writing, has kept up the work and brought out the paper until the present time.

In May a vigorous campaign for new subscribers was put on, Rev. H. G. Pearce, of the Area Staff, rendering valuable assistance. In this way 4,000 new subscriptions were added to the list, making up for shrinkage and placing the circulation above 18,000.

At a meeting of the Board of Trustees held on September 9th, Dr. Fitchett tendered his resignation as Editor and Treasurer, and Dr. William H. Phelps, of the Michigan Conference, was elected to those positions.

The election of Dr. H. Lester Smith as Bishop by the General Conference at Des Moines, left a vacancy in the Board of Trustees, to be filled by the Detroit Conference.

Had the operating expenses continued on the same level as last year, when the Advocate was taken over by the Conferences, its problems would be easy, and the future assured. But, with the cost of paper more than doubled in the year, and now four and a half times as great as five years ago; with printing costs more than double next year compared with two years ago, and other expenses largely increased; with the prospect that each yearly subscription to the Advocate will cost next year, on the basis of the present size and circulation, more than \$2.50 besides what the advertising will provide, it will require careful management, and the full cooperation of all our pastors and people in sustaining and increasing the subscription list, to maintain the paper. The Board of Trustees bespeaks the loyal support of the Michigan Christian Advocate, so indispensable to Michigan Methodism, by all our pastors and people.

Respectfully submitted,

For the Board of Trustees, Michigan Christian Advocate Publishing Co.,
 HUGH KENNEDY,
 President.
 ELMER HOUSER,
 Secretary.

REPORT OF COMMITTEE ON SOCIAL AND MORAL REFORM.

We rejoice in the past achievements and in the program of the Board of Temperance, Prohibition and Public Morals of our Church. It has been a leader of thought and a maker of successful plans. Independent in its thinking and planning it occupies a unique place in the work of reform and has given ample proof of its value as a militant Christian power in the war against alcohol and kindred evils throughout the nation. It has always been ready to take the initiative, but has been careful not to outrun public sentiment, and has ever been ready to cooperate with all worthy temperance agencies. We are glad to give our confidence to its wise and aggressive tactics.

It inaugurated the "Bone Dry" regimen and made the new term popular and is now advocating the withdrawal of our flag and consular service from protection of those who do in other lands what has been outlawed in the United States.

We concur with the General Conference at Des Moines and "endorse the far seeing plans of the Board in securing the most eligible site, just fronting the doors of the Capitol at Washington, for the erection of a large building commemorating the hundred year struggle which has resulted in national prohibition, and furnish a home for the Board of Temperance and all Methodist interests that center in Washington, and be the headquarters of the Protestant and civic reform leaders who watch the currents of government and promote the reforms now throbbing for expression in the convictions of the people."

This work, started with the full endorsement of the General Conference, was hindered by the war and sidetracked by the Centenary Drive, but must now be completed by the generosity of those who believe that the importance of this reform work demands adequate equipment for its future conquests.

We urge every pastor to heartily participate in the plans of the Board to secure the balance of the funds necessary to finish its building enterprise.

We endorse the strict enforcement of National Prohibition, including the elimination of wine and beer of any alcoholic percent; the enthronement of the American Sabbath on its civic foundations; the Bible taught all our growing citizens in our public schools; Americanization insisted upon, including the English language in our schools and newspapers; the maintenance of our American ideals of purity in the home life of both sexes; the enforcement of the Red Light Abatement Laws; the passage of the bill now pending in Congress suppressing race track gambling, its ticket issues and the transportation of its betting chamees.

In view of the lowering of the moral standards and the loosening of certain national ideals following the war, we should look for a sunrise on Plymouth Rock by the revivifying of those ideals which our forefathers brought and planted in this new world and whose fruition is our Christian civilization, our National Government and our freedom.

We recommend for election the following as trustees of the Anti-Saloon League: J. G. Haller, H. A. Field, S. S. Kresge, D. M. Christian.

GEO. ELLIOT,
J. G. HALLER,
HARTLEY CANSFIELD,
GEO. W. OLSTEAD,

REPORT OF THE COMMITTEE ON EDUCATION.

Michigan Methodism stands vitally related to two major enterprises in the educational life of the State. Albion College is the distinct responsibility of the Church. The University of Michigan presents an opportunity to the Church in no-wise of secondary importance.

Recognizing that the resources for the development of an adequate program for the Church in these two institutions must be materially increased we recommend the adoption of the following declaration of principles.

1st. That we join with the Michigan Conference in a campaign to secure \$1,500,000 to meet the Methodist Educational responsibility in Michigan.

\$1,250,000 to be used for endowment and equipment in Albion College.

\$250,000 to be used for the development of a Methodist program at the University of Michigan.

2nd. That a general publicity campaign to acquaint our constituency with the possibilities and needs of our educational field be promoted immediately and that a preliminary canvass for personal gifts be undertaken as soon as practicable.

3rd. That the Department of Finance of the Board of Education of the Methodist Episcopal Church be requested to take executive direction of the entire campaign in co-operation with the local authorities involved.

4th. That the intensive financial campaign which will be carried on in our local churches be subject to the final approval of the next annual conference.

The following are nominated as members of the Board of Trustees of Albion College:

Term to expire 1921

A. Ames Maywood, James Atkinson.

Term to expire 1922

F. F. Fitchett, L. B. Alger.

Term to expire 1923

REPORT OF EPWORTH LEAGUE COMMITTEE.

As we review the work of another Conference year we feel truly grateful to Almighty God for the splendid service rendered to Methodism and the Kingdom of God by the Epworth Leagues of the Detroit Conference. Without exception it has been one of the best years in the history of our young people's work in Michigan.

We believe our Epworth Leagues should afford one great recruiting field for Albion College. A League can never quite fulfill its function in the Church except it shall prepare its youth for future leadership. The atmosphere of the Epworth League, therefore, must be such as will encourage the growth of great leaders. More and more we, as pastors, must encourage our youth to assume responsibilities and fit themselves for the larger service of the Kingdom of Christ.

Two highly successful institutes were held during the year—one at Albion and another at Ishpeming. We urge every pastor that he not only interest himself, but that he make use of every possible means to secure the attendance of his young people at one of the State Institutes.

We fear too often we are not as successful as we might be with our youth because we have neglected the Juniors. Every pastor should see that a Junior League is organized in his church, and that the graded course of study be adopted.

We are especially gratified to know that throughout the entire Conference our young people are responding to the urgent calls for Christian service. From the Upper Peninsula Miss Mae James represents us in the great Home Mission field and Miss Geraldine Townsend from the Lower Peninsula in our Foreign Mission Work. But beside these young women and many others, both in the home and foreign fields, we are glad that not a few young men are giving themselves to the ministry of the Methodist Episcopal church.

In view of the generous response of our Epworth Leagues in the support of the Miss Geraldine Townsend Fund, we suggest that a column be set aside in the statistical blanks for this purpose that our Leagues may register their gifts and that proper credit be given them. We further suggest that Mission Study Classes be organized in every League.

In the work of the League let us not be content with human possibilities and human capacities, for to do the seemingly impossible task that lies before us we shall need always the companionship of Christ and the leadership of the Holy Spirit.

F. A. LENDRUM,
LEWIS KEAST.

PART VII.—PLAN OF CONFERENCE COURSES OF STUDY.

The attention of all students is directed to the "Recommendations to Conference" under the heading, "Summer School of Theology," in Part V-A, Saturday morning, September 25th, in this issue of the Minutes.

(A) UNDERGRADUATE COURSES.

(1) INSTRUCTORS.

(a) Within fifteen days after the close of each Annual Conference each Instructor shall be furnished by the Registrar of his Board of Examiners with the names and addresses of all students in each subject for which such Instructor is responsible. The subjects in which names shall be furnished shall include collateral reading, written sermon, and special homiletical work as well as studies for examination.

(b) Each instructor shall pursue diligently, and with regularity and promptness, the correspondence method in the conduct of "required written work." To this end the Instructor shall divide the required written work in each book or subject into from four to eight approximately equal parts as the subject may require. These assignments of work shall be sent to the students all at once before October 15th, or one each month before the middle of the month, beginning with October and continuing until all assignments have been sent. Each Instructor shall return promptly to the student each installment of written work, when postage is enclosed, giving criticisms, corrections and suggestions.

(c) Each Instructor shall forward all grades on "required written work" to the Registrar of the Undergraduate School of Theology at Albion in time for the opening day of said school. Such report shall include also the status of the written work of students whose work is incomplete or entirely delinquent. Written work received after the conclusion of the Summer School of Theology shall be reported to the Registrar of the Board of Examiners as early as possible and not later than the opening day of Conference.

(d) Each Instructor shall, unless excused by the Chairman for unavoidable reasons, be present at the seat of the Annual Conference on the day set for Conference Examinations, and shall conduct the examinations in his own subjects. He shall also meet for counsel the classes of the ensuing year in each subject for which he is responsible. The schedule of examination and of periods for counsel shall be arranged by the Chairman and Registrar.

(e) Each member of the Board of Examiners shall, unless excused by the Summer School Senate, serve as Instructor on the Undergraduate Summer School Faculty two years out of the Quadrennium, and preferably two consecutive years, the years of such service to be arranged by the Summer School Senate or a committee appointed by such Senate.

(2) STUDENTS.

(a) Students will find necessary information on many points in the chapter on Courses of Study in the Discipline of 1920, although the books studied for this year will be the old course as given in the Discipline of 1916.

(b) Each student shall prepare and send in his "required written work" as indicated by his respective Instructors. Written work in all subjects requiring examination must be completed before the opening of the Summer School.

Promptness in submitting required written work will count to the students credit to such extent as the Instructor may deem fair and just. If for any reason the Instructor fails to get the requirements in written work, or any part of the same, to the student within four weeks after due, as per section (b) under the head of "Instructors", the student shall prepare such required written work or part thereof as outlined in "Directions and Helps." It is expected by the Board that the required written work in the studies for examination, the collateral books, and the special homiletics be carried on simultaneously.

(c) Every student, unless excused as hereafter provided, is required to be at the Undergraduate Summer School of Theology at Albion each year during his Course of Study. Excuse for non-attendance shall require the concurrent action of the Dean of the School and of the Chairman of the Board of Examiners. This shall be understood to apply to all Undergraduates including those who are students of college or Theological Seminary. In case of necessary absence from the Summer School, the Instructor shall endeavor as best he can to make up to the student his loss by assigning extra work, giving additional examination, or both. Each student attending the Summer School shall receive his equitable share of the funds provided by the Conferences for the support of the school, distribution being on the basis provided for by the Summer School Senate.

(d) Examination of all students shall be as follows. Examinations in all studies shall be taken only at the close of the Summer School of Theology, and on the day before Conference convenes. Each student attending the Summer School shall be examined by his Instructors on the School Faculty rather than by the Board of Examiners. Such Instructors may allow oral examination or recitations to supplement written examinations, but these shall not be substituted for "required written work." Written or final examinations cannot be taken in any study until all the "required written work" in such study has been completed and is in the hands of the regular Examiner or Summer School Instructor. All "required written work" shall be graded by the Examiner and not by the Summer School Instructor.

(e) The students final grade in any subject requiring examination, whether taken at the Summer School or at Conference, shall be arrived at as follows. The "required written work" will be graded on the basis of 100% as will also the examinations. For those not at the Summer School, extra tasks shall for the purposes of grading be regarded as "required written work," and additional examinations shall be averaged with the regular examination. The average of the marks on "required written work" and on examinations will be the final passing mark, providing that such average is at least 70% and that neither is below 65%. The students grade on all collateral subjects will be on the basis of 100%, the minimum passing mark being 70%.

(f) Each student shall pay annually, at the time of the Summer School of Theology, a fee of \$2.50, said fee to be divided on the basis of \$2.00 for the Summer School and 50 cents for the Board of Examiners. Absence from the Summer School does not excuse any student from paying the entire fee unless excused from studies by vote of the Conference.

(g) The work as offered at the Summer School in studies of the Admission Year shall be open, without financial aid, to supplies and other persons desiring to take the same who do not expect to enter Conference. Written recommendation of the District Superintendent shall be the condition of enrollment in all such cases. Local preachers desiring to take the Local Preacher's course should consult the Chairman of the Board of Examiners concerning such course, and the possibility of substituting for at least a part of the same work offered in the Summer School. All persons taking Admission Studies in the Summer School who are to join the Conference at its next session, and all Local Preachers having charges who are taking work leading to ordination, shall share in the Conference financial aid on the same basis as Conference men.

(h) All substitutions desired by the student for work done in an educational institution or elsewhere shall be determined upon by the Board of Examiners, or by the Faculty of the Summer School in committee or as a whole, when either are in session, when neither Examiners nor Summer School are in session, full power in the matter of substitutions requiring prompt decision shall be vested in a standing committee, consisting of the Chairman and Registrar of the Board, the Dean of the School, and such Examiners as are responsible for the studies in which substitutions are proposed. No credits shall be accepted from any source unless signed by the official head or registrar of the institution in which the work has been done.

PART VIII.—HISTORICAL.

A. MEMOIRS.

REV. SALEM A. DEAN.

The sixty-four years and six days lying between September 14, 1855, and September 20, 1919, were the measure and the period of the life of this good man. For forty-five years he was a preacher of the Gospel and for thirty-six years a worthy member of the Detroit Conference, to which he

came in 1883 at the session in Flint, Bishop Harris presiding, on credentials from the Methodist Episcopal Church of Canada, a church which contributed something like a score of members to the Detroit Conference, some of whom have risen to high positions.

Naturally his ministry began in the Canadian Church, for he was reared in it, being born in Ontario. On coming to Michigan he became pastor

of the churches at Onaway, Williamston, Flushing, Saginaw (Ames), Sandusky and Croswell.

In 1910 he was appointed to a position in the Anti-Saloon League. To this work he gave himself wholeheartedly and continued in it to the end.

Brother Dean was a man of untiring industry, of good conscience, an intense lover of the right and hater of wrong, of acute and active intellect, of fine culture and optimistic outlook, loyal to God and to the Church. He had kind fellowship and warm friendships with his brethren of the Conference and cherished his relationship to the Church and its ministry as priceless. We could have wished for him a few years more of life and health that his gifted ministry might have filled out half a century.

J. E. J.

SAMUEL M. GILCHRIESE.

The subject of this sketch was born at Duffen's Creek, Ontario, September 15, 1854; and when he fell asleep in death in the parsonage at Grass Lake on Thursday, September 25, 1919, he had just passed the 65th milestone of his life.

His opportunities for education and ministerial training were among the best. His literary work was done at Victoria University, Coburg, Ontario, and his theological work at Garrett Biblical Institute, Evanston. He joined the Detroit Conference on trial in 1880, and during the thirty-nine years of his ministry never missed a session.

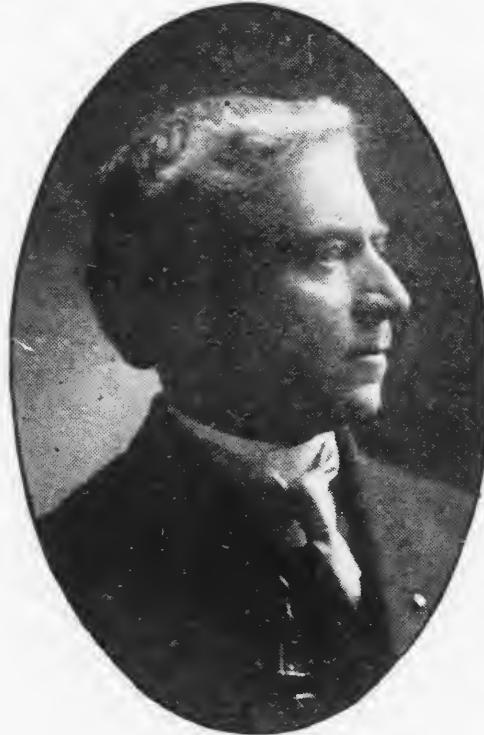

The ministry of Brother Gilchriese has been one of strength, adapta-

PART VIII.—HISTORICAL.

A. MEMOIRS.

REV. SALEM A. DEAN.

The sixty-four years and six days lying between September 14, 1855, and September 20, 1919, were the measure and the period of the life of this good man. For forty-five years he was a preacher of the Gospel and for thirty-six years a worthy member of the Detroit Conference, to which he

came in 1883 at the session in Flint, Bishop Harris presiding, on credentials from the Methodist Episcopal Church of Canada, a church which contributed something like a score of members to the Detroit Conference, some of whom have risen to high positions.

Naturally his ministry began in the Canadian Church, for he was reared in it, being born in Ontario. On coming to Michigan he became pastor

of the churches at Onaway, Williamston, Flushing, Saginaw (Ames), Sandusky and Croswell.

In 1910 he was appointed to a position in the Anti-Saloon League. To this work he gave himself wholeheartedly and continued in it to the end.

Brother Dean was a man of untiring industry, of good conscience, an intense lover of the right and hater of wrong, of acute and active intellect, of fine culture and optimistic outlook, loyal to God and to the Church. He had kind fellowship and warm friendships with his brethren of the Conference and cherished his relationship to the Church and its ministry as priceless. We could have wished for him a few years more of life and health that his gifted ministry might have filled out half a century.

SAMUEL M. GILCHRIESE.

The subject of this sketch was born at Duffen's Creek, Ontario, September 15, 1854; and when he fell asleep in death in the parsonage at Grass Lake on Thursday, September 25, 1919, he had just passed the 65th milestone of his life.

His opportunities for education and ministerial training were among the best. His literary work was done at Victoria University, Coburg, Ontario, and his theological work at Garrett Biblical Institute, Evanston. He joined the Detroit Conference on trial in 1880, and during the thirty-nine years of his ministry never missed a session.

The ministry of Brother Gilchriese has been one of strength, adapta-

bility and usefulness. He was a Kingdom builder. Many revivals enriched his ministry.

The passing of this man of God was beautiful and triumphant. The Friday before his death will be remembered by the family as "Testimony Day." He couched his confession in the beautiful phrases of the 103rd Psalm, which he repeated several times.

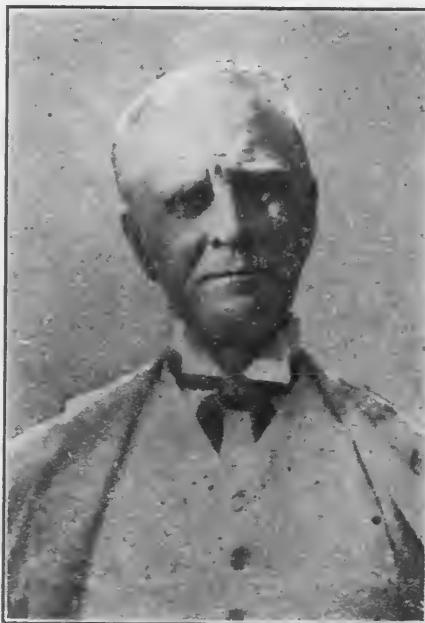

The sun of a useful life has set, but the afterglow of his ministry will long abide.

JAMES W. FENN.

This faithful and efficient minister of the Word, passed to his reward, November 22, 1919, from the home of his daughter, Mrs. F. A. Bigelow, in Cass City, Mich., where he had lived since his retirement from active work.

Brother Fenn was born in Billington, Bedfordshire, England, April 2, 1841. He came to America with his parents and found a home in Long Island, N. Y. He early became a true American; and at the first call for three-year troops during the darkest days of the Rebellion, he enlisted and

was attached to the 1st Connecticut Heavy Artillery, with which command he served his full three-year period.

After being mustered out from army service, he entered Wilbraham Academy at Wilbraham, Mass., later taking a higher course at Wesleyan University, Middletown, Conn. At the completion of his college training he gave himself to the ministry, in the New England Conference, serving as his first regular charge the church at Williamsburg, Mass. Other charges

were Shelburne Falls, Worcester, Medford, Whitinsville, Spencer and Newburyport.

In 1888 he was transferred to Detroit Conference and was stationed successively at West Branch, Lapeer, Cass City and Williamston.

Brother Fenn was highly esteemed by his brethren in the ministry, and as a preacher and pastor was a workman needing not to be ashamed. He counted among his best friends the old soldier boys of '61 to '65 and was a Past Commander of Milo Warner Post, G. A. R.

RICHARD CARLYON.

Richard Carlyon was born in Cambourne, England, June 10th, 1853, and died at Hurontown, Michigan, December 17th, 1919.

Brother Carlyon was the son of an English miner. Converted at the

age of nine, he decided to dedicate his life to Christ and from that time he began to prepare himself for active work. At the age of twenty he became a local preacher, at the same time continuing his work as a miner. In 1880 he married Elizabeth Ann Bray and in the following year they came to Canada where he had charge of a copper and silver mine, and there he preached to the men on Sundays. Four years later he entered Garrett

Biblical Institute at Evanston. On graduation he united with the St. Louis conference, where he served four charges and built eleven churches. In 1902 he became a member of the Detroit Conference and served the churches at Kearsarge, Iron Mountain Central, Painesdale and Hurontown.

Mr. Carlyon was an eloquent preacher and a kind and faithful husband, father and pastor. Beloved by all the community, he lived a pure simple life leaving behind him a record unspotted by any contact with the world.

He leaves a wife, and six children—Richard E., Captain at North Lake Mine, Michigan, Mrs. Elizabeth Major of Trimountain, James T., Professor of New Testament at Ilif Theological School, Denver, Colorado; Charles F., of Denver, Edward L., principal of the Junior High School at Whiting, Indiana and Miss Katherine, teacher of English at the Wolcott Private School for girls in Denver.

CHARLES W. BALDWIN.

"A man he was to all the country dear." His death has brought a sense of personal loss to scores and scores of people. Few pastors are able to leave on a church and community so powerful an impression for righteousness and goodness. He was emphatically an "all round" man, genuine, natural, strong and wholesome.

For a man of his make-up to die on the anniversary of the birth of Lincoln has something of fitness, as he had homely virtues like unto some which were conspicuous in the "Great American."

All but the first few of his sixty-one years were spent in this state and although born in New York (Churchville) he was a Michigan man by attachment, by growth, by training and by spirit, western Monroe county being his early home, as also that of Mrs. Baldwin.

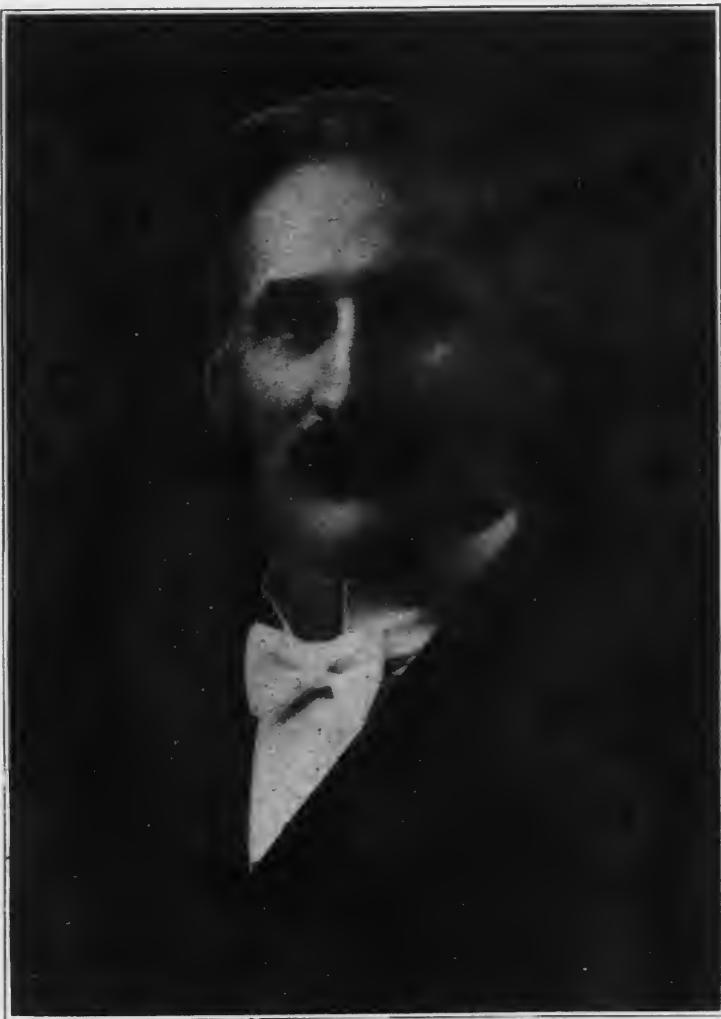

In 1887 at the age of twenty-eight he entered the Detroit conference on trial and in it spent thirty-two and a half tireless years as a prophet of the Lord and a shepherd of the Master's flock.

He served rural charges and was the pastor of two large Detroit city churches, and was thrice appointed presiding elder or district superintendent. He was a trustee and one of the organizers of the Old People's Home and its secretary, and fondly cherished it as a personal trust. For years he was a trustee of Albion College, a stalwart advocate of its mission, and placed his sons and daughter within its walls for training. The Detroit Deaconess Home called him to its presidency. He was a trustee of the Detroit Corporate Conference, and its treasurer, and held like relations in the Superannuated Preachers' Aid Society. These offices involved the care and investment of \$120,000, also, the collection and distribution of its earnings to aged preachers and to preachers' widows.

His business ability was so pronounced, his judgment so conservative and safe, his financial dealings with men who were outside the church so straight-forward and square that not only were funds safe in his hands but

the integrity and honor of the church were magnified in the eyes of "them that were without." When the funds for the Endowment Commission pledged by thousands of subscribers approached the magnificent total of \$700,000, the Conference turned to him as the man to handle this great trust.

One leading minister said: "His talents were of such an order and his

labors so unostentatious that we did not realize his mighty service; and it has taken his death to open our eyes to his magnificent life." The call came in the midst of his activities.

The six sons were the bearers at the funeral. The burial was at Albion which is the home of four of the children.

GEORGE STOWE.

He was born February 28, 1838, in the township of Freedom, Washtenaw county, Michigan. In order to secure the educational advantages he desired, it was necessary to earn his own money. This he did by working at farm labor, and later by clerking in a store in Ypsilanti. He then took a course in the Normal school of that city, graduating in due time.

He joined the Detroit Conference on probation in the fall of 1861 and

continued in the effective ranks for a quarter of a century, superannuating in 1886. His appointments were Henrietta, South Lyon, Oakville, Dixboro, Flat Rock, Clifton, Mayville, Caro, Au Sable, Perry, Swartz Creek, Waterloo, Stockbridge and Unadilla. He transferred to the Florida Conference in 1884 and was stationed at Deland. But he soon returned to his home Conference.

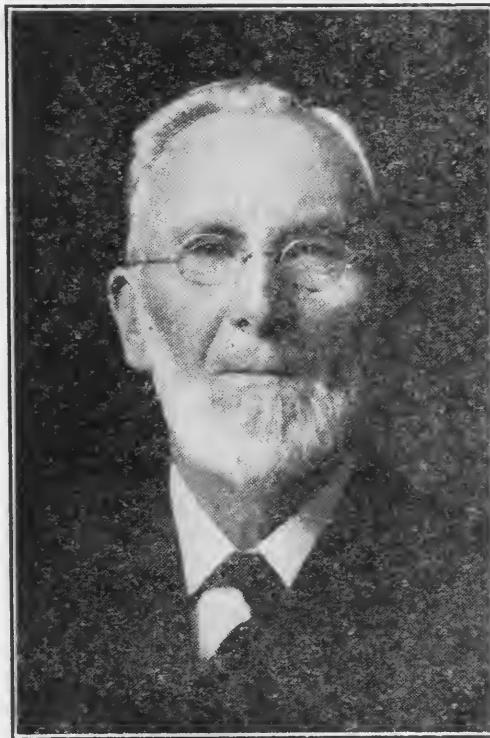

In the early sixties he answered the call of his country for Christian service and gave some time to the work of the Christian Commission.

Brother Stowe was tender and affectionate in the home; he enjoyed 57 years of wedded life. As a Christian minister he was above reproach.

The call came to change worlds, Thursday, April 1st, 1920, and on Easter Sunday his remains were laid away to await the resurrection day.

NATHANIEL DICKEY.

Nathaniel Dickey was born November 2, 1837, in County Antrim, Ireland, and came to Canada with his parents in early life, locating near St. Mary's, Ontario, where he grew to manhood, receiving a good practical education which served him well through all the years of his long life. Our brother was united in marriage to Miss Margaret Iler of Colchester, Ont., May 22, 1872. Five children were born to them of whom three survive: Mrs. F. W. Dakin of Mason; Mrs. J. D. Jackson of Grand Rapids; and Mrs. W. A. Blinn Bushaw of Marine City.

Nathaniel Dickey was ordained to the work of the ministry in 1867 and served for 16 years in Ontario. He then came to the Detroit Conference in 1883 and continued in active service until 1914, a period of 47 years. His personality impressed itself wherever he went, and his fine Christian spirit proved a constant source of inspiration to all who knew him. His ministry was eminently useful, and some of the representative members of the Detroit Conference, who are today serving with marked efficiency, were his sons in the Gospel. His vigorous temperament made him of an evangelistic turn of mind and the fruits of his labors were evident in many gracious revivals.

WILLIAM JOHN PASMORE.

William John Pasmore was born in Dorchester, Ont., Dec. 25, 1864, and died in the University Hospital, Ann Arbor, Mich., May 8, 1920, aged 55 years.

At the time of his decease he was serving his second year on the Muniuth charge in the Detroit Conference. From his early youth he felt a clear call to the ministry. He was definitely and clearly converted during a revival meeting held in Blythe, Ont., in 1885, when he was just passed twenty years

of age, and immediately began preparations for entering the ministry. He left Canada and came to the United States to attend Garrett Biblical Institute at Evanston, Ill., where he graduated in the class of 1892. He entered the Detroit Conference and gave himself to devoted work in the service of his Lord and Master. He served the following charges: Swanzy and Turin, First Church, Iron Mountain; Bessemer, Hermansville, Pick-

ford, Grand Marais, Oak Grove, Ortonville, Swartz Creek, Dansville and Munith.

At Pickford and at Swartz Creek, new church buildings were erected and in all these fields many were won to accept Christ as Lord and King. The message that he preached was always the message of the straight, plain gospel, presented in a simple, earnest, forceful manner. His life was an open book known and read of all men and his walk above reproach always.

MRS. FREDERICK STRONG.

Mrs. Sarah B. Strong, widow of the late Rev. Frederick Strong, passed away at the home of her son, Arthur P. Strong, in Bennington, Sept. 26, 1919, at the age of 84. She was born in Charlottetown, Prince Edward Island, Canada, where she was united in marriage to Brother Strong, June 12, 1853. In 1873 they came to Michigan with their family. In 1874 her husband joined the Detroit Annual Conference, in which he served as an itinerant pastor for 30 years, the deceased having shared with him the labors and cares incident to a Methodist minister's life. She was a true lady in words and manner. In her quiet way she left a happy influence upon her friends.

The funeral services were conducted by the Rev. T. B. McGee at the home of her daughter, Mrs. Ada Saxton, Milford, and she was laid to rest in the Milford cemetery beside her husband.

MRS. W. H. COLLYCOTT.

Mrs. W. H. Collycott, whose maiden name was Elizabeth Andrews, was born October 9, 1850, at Exeter, Ont. She was the daughter of Adolphus Henry Andrews, and granddaughter of the late Edward Andrews, LL.D., of the Walworth Road chapel, London, England.

She was married to Rev. W. H. Collycott in 1896, and before entering the ministry in the Detroit Conference, they did evangelistic work together. In her earlier years Sister Collycott had a unique experience in the evangelistic field, in England, Canada and the United States, and then with her husband traveled extensively in the work in these lands. After joining the Detroit Conference they served for lengthened periods pastorates at Iron River, Calumet county (Osceola and Tamarack churches) and Rochester.

Mrs. Collycott was a woman of character and fine attainments, and her unusually strong personality had enabled her to surmount obstacles that would have daunted the less courageous.

The interment was in Lambeth, Ontario, near the place of her birth.

MRS. ROBERT PATTINSON.

Mrs. Isabella Pattinson, wife of Robert Pattinson of this Conference, was born in Castleside, England. On March 8th, 1920, she reached her coronation after forty-one years of most faithful and beautiful christian service as a minister's helpmate. Three sons and two daughters with her husband mourn her passing but are greatly comforted by the remembrance of this devoted wife and mother. She was deeply interested in all the activities of the church. Her work as teacher in the Sunday School is in evidence today in lives she guided, encouraged, and enriched by her efficient leadership as a teacher and her bright, lovable christian character.

"With careful hands she strewed life's destined field
With kindly thoughts and goodly deeds:
With love each stony place was made to yield
Sweet ministry to others' needs:
And now. "The world is poorer far" we say,
But heaven is richer since she went away.

A. B. Leonard.

MRS. O. B. BOWMAN.

Mrs. O. B. Bowman, wife of our pastor at Hubbard Lake and Ossineke, was called to her heavenly home on Wednesday, March 10. Her beautiful Christian life, her kind words and deeds will long be remembered.

She was enthusiastic in all departments of church work and labored faithfully with her husband in the fields in which he was called to serve. Besides her husband and infant daughter, she is survived by a son, William, aged 7, and a daughter, Margaret, aged 5.

The body was taken to her childhood home at Bartlett, Ohio, for burial.

MRS. F. O. JONES.

Sarah J. Jones died at the Methodist Home in Chelsea, Monday, July 19th, 1920. She was born in Toronto, Canada, June 27th, 1855. She became the wife of the Rev. F. O. Jones. Brother and Sister Jones have been members of the Chelsea Home family for nearly six years. She is survived by her husband, one sister and one brother. The funeral was held from the Home, Wednesday, July 21st, Rev. H. R. Beatty, pastor at Chelsea conducting the service. Interment was at Oak Grove Cemetery.

Mrs. Jones was converted in childhood and had a clear Christian experience of Christ as her personal Savior. Her patience was marvelous during prolonged and painful illness. Never a murmur of rebellion escaped her lips, but like Paul and Silas in prison, she sang praises and prayed to God continually. She went home to be with her Lord in triumph.

MRS. A. J. BIGELOW.

"Many daughters have done worthily, but thou excellest them all," were the appropriate words chosen by her pastor for the funeral sermon of Sister Bigelow at the home of her son-in-law, Frank S. Turner, in Tecumseh, Mich., on December 24, 1919. She had suddenly and quietly passed from the activities of the Church militant to those of the Church triumphant, Sunday evening, December 21, to hear her Master's "well done."

She was a striking fulfilment of the text in many ways. She excelled as a wife and mother. Aiding her husband in his work was her delight; and an annual conference session was an exceeding joy. She especially excelled as a singer and musician in the social meetings of the church and the missionary movements, home and foreign. For seven or eight years she was president of the Detroit Conference W. F. M. S., where she served with great efficiency and acceptability. At the time of her decease she was president of the local auxiliary of the W. F. M. S., and secretary of the W. H. M. S.

Emily A. Powers was born in Cleveland, Ohio, Nov. 2, 1850, and was united in marriage with Rev. A. J. Bigelow (then pastor at Lapeer), May 21, 1873. Brother Bigelow, an honored and well remembered pastor and presiding elder of Detroit conference, died July 30, 1906, since which time Sister Bigelow has made her home with her daughter, Mrs. Frank S. Turner. Other remaining relatives are a son-in-law, two daughters-in-law, six grandchildren, and one brother, C. E. Powers, of Chicago. These all "rise up and call her blessed."

C. M. THOMPSON.

MRS. J. B. LOMAS.

Mrs. J. B. Lomas was born October 27, 1853, at Hythe, Kent, England, and passed to the Home with God from the residence of her daughter, Mrs. Fred Simpson, Port Huron, Mich., February 24, 1920, aged 67 years. She was married to Rev. John B. Lomas in 1874. She leaves to mourn her loss her husband, four sons and one daughter.

She was converted through the preaching of her husband shortly after their marriage and she entered actively with him into ministerial work in the Methodist church, in England. At the commencement of what is known

as the Methodist Forward Movement, they worked with the late Revs. Chas. Garrett, Hugh Price Hughes, Thos. Cook, and later with Revs. Samuel Chadwick and S. F. Collier in evangelistic work. Mrs. Lomas saw all her children converted in their early life and rejoiced to see her youngest son engage in the ministry. For ten years she and her husband have held charges in the Detroit Conference.
